RE: Antidumping duty scope determination on raw flexible magnets from the People's Republic of China (A-570-922)

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Anna Griffin, Inc. ("Anna Griffin"). Commerce issued a final scope determination on 3/13/2017 that Anna Griffin's magnetic sheets for metal paper-cutting dies which it imports, and which are produced and exported by Gala Plus International Company Limited, are not within the scope of the antidumping duty order on raw flexible magnets from the People's Republic of China ("PRC") (A-570-922).
2. Commerce determined that Anna Griffin's magnetic sheets for metal paper-cutting dies fall within the exclusion to the scope of the order because they are permanently bonded with paper that is printed with text and decorative motifs. Therefore, Anna Griffin's magnetic sheets for metal paper-cutting dies are not within the scope of the antidumping duty order on raw flexible magnets from the PRC. This ruling applies to Anna Griffin's products identified by the following product codes:

3. For all entries of magnetic sheets for metal paper-cutting dies not within scope that remain unliquidated on or after 4/25/2008, CBP shall terminate suspension and liquidate entries of product not within scope which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits and release any bonds relating to the product not within the scope described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of magnetic sheets for metal paper-cutting dies not within scope entered, or withdrawn from warehouse, for consumption on or after 4/25/2008.
6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.
7. Unless instructed otherwise, for all other shipments of raw flexible magnets from the PRC not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.
